Serene country living in beautiful Fairview NC. 20 minutes to downtown Asheville or south to the Airport. Lovely mountain views from the covered front deck. There are multiple gardens with vibrant perennials, blue and black berries and space for you to plant what you love. If your dream is to have a small farm, there are several outbuildings, including a tool shed, chicken coop, wood storage with split wood, tractor storage and a small barn with hay loft, ALL neat as a pin and in great condition. Manicured mountain trails meander up the mountain. It's magic! The meticulously maintained home offers main level living on a tall crawl space with outside entrance, perfect for storage. This is the quintessential mountain home with cleared and wooded acreage for you and your imagination to roam.
